

3 Nights & 4 Days Goa

Goa, a tiny emerald land on the west coast of India, was under the rule of the Portuguese for over 450 years. The territory of Goa, Daman and Diu was liberated from the Portuguese rule in the year 1961. A very striking feature of Goa is the harmonious relationship among various religious communities, who have lived together peacefully for generations.

Many vacationers visit Goa every year, mainly because of its wonderful climate and a glorious history richly preserved in churches, forts, traditional homes, villages and also the spectacular pageantry, colourful festivals, warm and gracious people and superb cuisine.

Goa is one of India's most laid back, yet sophisticated and exciting destinations. From miles and miles of sunny beaches, to the splendors of its quaint towns and cobbled alleyways, Goa is more than just beaches and sunshine. It is also renowned for the charm and magic of exotic resorts, a verdant green countryside, lush green forests and abundant wildlife topped with the legendary warmth and hospitality of the Goan people.
